AeroCase

15.0" - 15.4"

Elegant Pilot Case for Notebook, Printer and Accessories

The AeroCase from DICOTA is the perfect travel companion to transport your Notebook, printer/projector mobile accessories as well as documents. It is made of durable Koskin and the integrated handle and frame reinforcements make the case very sturdy. The Notebook compartment is perfectly cushioned and is additionally protected form the top so even the Notebook connections are protected. Printer, projector or large folders are securely placed in the large main compartment. Documents can be easily stored in the integrated accordion-like file sleeves in the main compartment. Mobile accessories can be stored in the lockable zip-down-workstation. The power supply units are comfortably transported in the separate cable bag. The adjustable combination locks provide additional security on the road.
